

Post-conviction timeline

Ada County · CV01-26-15094 · Bryan C. Kohberger v. State of Idaho
Civil case asking the court to look at the July 2, 2025 guilty plea in CR01-24-31665.

Three asks from the defense

All three filed August 27, 2026. Papers as produced. This page does not argue them.

1 New judge

Motion to Disqualify Judge Hippler under I.R.C.P. 40(b), or he steps aside under 40(c). Hearing Oct. 15, 2026, 1:30 p.m.

2 New county

Motion to change venue to Latah County. Defense agrees the case had to start in Ada County. Asks a later move because lawyers and many witnesses are in northern Idaho.

3 More time

Objection to Nov. 13, 2026 as the last day to amend. An amended petition replaces the original; claims not restated are waived. Defense also asks the court to hold the State's motion to dismiss until an amended petition is filed.
